Thank You

Throughout the month of November we have witnessed a transformation of the Nativity Set that is placed in front of Shorehaven. The nativity was in poor shape and required some rebuilding along with brushing, some bondo, painting and sealing of the figures. Many hours were required to restore them to their original beauty. The following Residents generously donated their time and talents to this project: Bill Baum, Ernie Biel, Anne Goode, Dean Littlejohn, and Ken Roberts. We thank you for your time and are grateful for your talents!
