Resident-Centered Household Living, Transforming 24-Hour Skilled Care

Progressive, state of the art equipment and expert therapists to expedite your recovery.

Shorehaven provides comprehensive and compassionate care 24 hours a day. Our residents enjoy living in a household concept with private rooms in a comfortable homelike environment.

Our personalized care has been proven to provide significant benefits to clients' health, wellbeing and overall quality of life.

Short-Term Rehabilitation Services

Guests in our rehabilitation unit receive individualized therapy and personal care by professional, friendly and consistent staff. We provide furnished private rooms (including cable and WiFi) in a homelike atmosphere. We listen to our guests' goals and help them to achieve them while regaining their strengths and abilities, making a safe return home possible. We work within the established insurance guidelines, and help the person receive appropriate benefits.

Guests are encouraged to bring comfortable clothing and anything else they feel they need. We will provide the rest.
