Mosaic Wall Mural Dedication

Wednesday, May 15 at 10:30am in the Great Room

Students from Whittier Elementary School in Waukesha and artist Sally Duback recently teamed up with Shorehaven residents to assemble a Lake Country mixed-media mosaic. The mural includes a fun combination of tiles, costume jewelry, buttons, and other sparkling embellishments. This campus-wide collaboration was made possible through our partnership with Sharp Literacy. We invite you to share in this wonderful intergenerational event! The mural will be installed in our Memory Care for our residents and families to enjoy.

Whittier students will eat their lunches and enjoy ice cream treats after the ceremony at the Service League Pavilion. All are welcome!

Trishaw Dedication

Friday, May 17 at 10:30am in the Great Room

A generous donation last year allowed Shorehaven to purchase its first bicycle rickshaw – called a trishaw – through Cycling Without Age, a program started in Denmark seven years ago that pairs volunteer cyclists with seniors. Created as a means to break stereotypical thoughts about senior's ability to engage in exciting, beautiful and meaningful activities, the trishaw bike brings the beauty of the community, experienced by the five senses, to seniors in a way that is disability-friendly. Shorehaven residents will soon have an opportunity to go for a ride in our community while volunteer pilots get exercise, listen to stories and make new friends along the way. Join us as we unveil our new trishaw, have a seat on the bike, and learn more about Shorehaven's free program that brings together seniors and volunteers for an enjoyable outdoor activity.
